MAY 2024

April 2024 Meeting

We had a great time exploring the Coral Reef that will remain on display until June 22. We were all “wowed” by the colorful beauty of the underwater display created entirely with fiber that was knitted, crocheted, or felted. Part of the group also enjoyed the short film on the history of the Mill. You can support this historical treasure in our community by being a member of the [Willamette Heritage Center](#) for \$40 a year. That gives you free entrance to all activities and a discount in the gift shop.

Show & Tell

Heather Sly-Haley did a great job showing each item and asking the creator for comments on the pattern and yarn.
